

1. The show has en-ded the lights went out. For you the stores are closed and the night falls
 2. The taste of as-hes is fil - ling up your mouth your feet are bound its like a night - mare
 3. With - in the si-lent breaks of God's ga-lac - tic dance you'll hear the voice and its whisp - rin'

the clown is cry - ing but he shows a lau - ghing face and no - one knows: who still cares now?
 your train is dri - ving wild into a black hole's eye. Your eyes are blind, and there's no lea - der:
 with - in the heart - beat of all the floa - ting life an ans - wer grows: the child in - side you!

ooh! help me help me help me help me help me help me just hear me
 cry. help me help me help me help me help me help me help me help me help

ooh! help me help me the world is how-ling: ooh help me help me its like a ba - by's
 cry. Help me help me the world is how-ling: ooh help me help me why don't you please help

ooh! help me! I feel so help - less and a - lone. Help me! I feel so help - less: hear me
 cry. help me! I feel so help - less and a - lone. Help me! why don't you please please please help

ooh! help me help me the world is how-ling: ooh! help me help me its like a ba - by's
 cry. help me help me the world is how-ling: ooh! help me help me why don't you please help

Help me!

There's a help in side all the men be - side you be - side There's a help in - side you just grow
 There's a help in - side all the things a - round a - round

me. There's a help in side all the men be - side you be - side ooh in - side you grow
 ooh There's a help in - side all the things a - round a - round

me. There's a help in - side all there's a help in - side you real-ly be - side ooh in - side you grow
 ooh There's a help in - side all there's a help a - round you real-ly a - round

me. There's a help there's a help be - side you real-ly be side
 ooh There's a help there's a help a - round you real-ly a - round ooh in - side you grow
